Open Character Reference

Dear Sir/Madam;

The person named on the reverse is applying for a position on the Camp America program in the United States. This reference serves to support the suitability of the applicant for our Camp America programs, all of which require high levels of responsibility, commitment and flexibility.

The ideal applicant should have a great sense of humour, enthusiasm, motivation and a caring nature. We also look for those who are well organised and have good team work experience. The specific roles each program entails are as follows:

Counsellor

Living and working with children between the ages of 6-16, often 24 hours a day for a minimum nine weeks. The position involves teaching/assisting with sporting, creative and outdoor activities. It is a role that requires excellent leadership skills and the ability to interact well with both co-workers and children.

Campower (Camp America Work Adventures Only)

Working as camp support staff, this role can range from kitchen, laundry and general maintenance work, to cabin cleaning and janitorial duties. As the days are long and often repetitive it is a role that requires stamina and a positive attitude as well as an ability to 'get on with the job' as part of a team.

The person providing this reference must have known the applicant for a minimum of **six months** in a **professional** capacity, and have a sound knowledge of the applicant's character. They should also be able to make an objective assessment. This will be an open reference which the applicant will see. If you have any reservations you wish to share with Camp America in confidence, please contact the office indicated below:

Your honest assessment is appreciated and will serve as a useful guide for a suitable placement to be made. As we are unable to proceed with the application without this reference your quick response would be welcomed. You may be contacted for a verbal reference once a placement is found. Thank you for your time and attention.

Reference must be in English or translated into English. The translation must be verified by your interviewer. References are NOT accepted from friends, family members, colleagues or anyone else whose relationship with the applicant has not been professionally related. The referee must have had significant contact with the Camp America candidate for at least six months in a teaching/professional/mentoring/managerial capacity.

Thank you,

The Camp America Team
